

SENTINEL PARTNERS LIMITED
INFORMATION SECURITY POLICY
ISO 27001:2013

The Policy of **Sentinel Partners** is on a continuing basis to exercise due care and due diligence to protect Information Systems from unauthorised access, use, disclosure, destruction, modification, disruption or distribution.

This will ensure that our reputation with our clients is maintained through confidentiality, integrity and availability.

Management will ensure business, legal, regulatory requirements and contractual security obligations are taken into account.

Risk Assessments against agreed criteria is continually undertaken.

The Management Team bears the responsibility for establishing and maintaining the system and undertakes to ensure its integrity is maintained through instruction and training of its personnel and that each employee has a proper understanding of what is required of them.

Equally, every employee has a personal responsibility to maintain this integrity.

The Organisation has a Policy of Continuous Improvement and Objective setting in line with the ISO 27001:2013 Standard.

The Information Security Management System will be monitored regularly under the Top Management's ultimate responsibility with regular reporting of the status and effectiveness at all levels.
